Relevant, reliable, and current financial information

FinancePro®, from Books24x7®, is the ideal resource for students, patrons and faculty needing immediate access to financial and accounting information on such subjects as corporate finance, GAAP standards, Sarbanes-Oxley compliance, financial valuations and risk management. FinancePro delivers fully-searchable, online content from the most highly regarded financial publishers in the industry, including John Wiley & Sons, McGraw-Hill, Bloomberg Press, AMACOM and Oxford University Press.

The rapidly changing global economy requires that patrons stay current and informed regarding new and evolving financial laws, regulations and standards. In today’s busy academic environment, comprehensive and accurate information on hand can yield greater productivity and significant time savings. Books24x7’s On Demand Platform provides a powerful search engine which—when coupled with FinancePro’s extensive library—allows patrons to quickly locate the information they need to make better-informed business decisions and deliver projects on time.
