Learn More

To learn more, visit these sites:

LibGuides are pathfinders to the best sources. These are produced by your librarians and some of your professors.

The Library Learning Channel is a collection of recorded tutorials and workshops.

APA

To help you master the APA way, the Virtual Library provides a variety of resources.

Check out the APA LibGuide.

For additional support and resources, visit the APA Resource Guide

NoodleTools, an APA citation composer, available under the Databases tab.

View the NoodleTools screencast and learn how to login and use this resource.

Library Staff

Heather Burke

Library Login:

Username: your ID number, (be sure to include the D)
Password: your four-digit year two-digit month date of birth (YYYYMM).

© 2016 DeVry Educational Development Corp. All rights reserved.
Whether onsite or online, students and colleagues can go to the Virtual Library the same ways. The library can be accessed from the sidebar on the student portal (my.devry.edu/home).

In your course shell, click on Student Resources and choose the Library.

To visit the library directly, go to and bookmark: http://library.devry.edu/.

All students and colleagues have 24/7 access to the Library via computer, smart phone, or tablet.

**Assistance**

Use the Ask-a-Librarian widget on the right side of the Library page to connect to our chat-based reference service. Additional ways to find service can be found on the Ask-a-Librarian site. The chat-based reference service can also be accessed directly. The email reference service will respond by the next business day.

**Connect**
